Security Policy

Security · Version **v2026.07.13-draft** · Effective **Jul 23, 2026** · Last updated **Jul 23, 2026**

Our commitments to protecting your data and systems.

Encryption & access

Data is encrypted in transit (TLS); access is least-privilege and role-based.

Tenant isolation

Customer data is logically isolated; cross-tenant access is denied by construction.

Incident response

We investigate suspected incidents and notify affected customers where required. See our Trust & Security page.
